Re: 2010 Elections

ANJC is seeking nominations for President, Vice President, State Board Seats and Alternates, and Regional Board seats (NE, NW, Central and South).

Go to www.ANJC.info homepage and download the following:

- **2010 election process**
- ***Petition for Nominations***

The rules are rather simple:

- Nominations for ANJC State and Regional Board positions require original signatures from 15 current ANJC members in good standing and who are from that specific region you want to represent.
- Nominations for President and Vice President require 50 original signatures of current ANJC members in good standing.
- Upon your request, HQ will provide you a regional list of ANJC members in good standing and who are eligible to sign.
- For petition to be valid for all positions, it must be submitted to and received by ANJC HQ by return receipt mail, postmarked no later than August 3, 2010, and received no later than August 6, 2010.

If you have questions just email me at sig@anjc.info.

Thanks in advance for considering

A handwritten signature in black ink, appearing to read 'Sigmund Miller', written in a cursive style.
