

ANJC Creates New CA/Staff Member Category for '07

Sign-Up by completing form below; then fax to 908.722.5677

ANJC has done it again by recruiting the brightest minds in the areas of CA/Staff training so they can share their most extraordinary ideas. **The best part?** You can have your entire staff onboard by simply signing-up for just one low annual fee.

What's included?

Recorded Monthly Teleconferences: Each month, Kathy Mills Chang and other industry leaders will host a special teleconference as they present topics of interest to ANJC CAs/Staff. Topics will include basic and advanced insurance procedures, coding, Medicare, Team Synergy, Team Marketing, Front Desk Scripting, Internal Referral Generation and many more. Time will be available at the end of each teleconference so your staff can ask questions on the topic of the month or ANY topic. This is the perfect opportunity to get direct coaching to help you with your practice dilemmas.

2x/mo eNewsletter: Receive a customized monthly email newsletter consisting of CA tips, helpful hints, scripts, marketing ideas and more. Articles will include the latest updates and clarifications so you receive the most cutting edge information monthly. Use this information for discussion in your team meetings, to guide your training topics, and to keep everyone on the team up-to-date.

FAQ's: Unlimited access to one of the most detailed lists of frequently asked questions by CAs in the profession. Use this valuable resource to support your team with answers to everyday questions on insurance, patient finances, coding, marketing, CA training, and other important matters.

Webinars: Join ANJC in using the latest Webinar technology to attend a seminar from the comfort of your home or office. Each quarter a different topic will be presented, where you will follow along right using your computer and listening on the phone as if you are present in the seminar room. Topics will include patient financial planning, Insurance and Coding, Marketing and Profit Centers, and Documentation and Compliance.

Conference Calls with a Touch of Schmooze: Join other ANJC CAs/Staff on a conference call as we gather together monthly for a statewide team meeting. Each month the floor will be opened to a variety of timely topics so that we can tap into the knowledge of the CAs in the trenches in New Jersey to formulate solutions and brainstorm answers to common office problems or issues of concern. Harness the power of experience as team members come together to discuss topics such as patient dilemmas, scheduling snafus, scripting helps, and much more.

Save on Future ANJC Seminars: Any ANJC office signing-up provides the opportunity for CAs/Staff to attend statewide seminars at a substantially reduced fee.
