

# Chiropractors Opposing Violence (COV)

ANJC once again serves community  
through community service...

ANJC is bringing together statewide members willing to donate their time and services to help support local shelters who care and provide temporary housing for victims of domestic violence.

Participating chiropractors will encourage all patients being treated on a given day to donate to COV. In other words, on that day the doctor is willing to contribute all monies generated to a local shelter serving the efforts of COV.

ANJC's PR Department will promote this COV effort statewide, in part, by directing the public to [www.njchiropractors.com](http://www.njchiropractors.com) so one can locate a COV participating chiropractor nearest their home or place of employment.

## Points of interest...

- ▶ Help save the lives of women and children who are victims of domestic violence.
- ▶ COV is a *one of a kind* Mother's Day event that will grow your practice.
- ▶ COV is a perfect networking tool creating community-wide relationships.
- ▶ NJ chiropractors can make a difference by supporting safe havens.
- ▶ COV publicity will be great for you and your practice.
- ▶ ANJC provides members all materials FREE.
